Bio:

Born and bred Londoner (Islington - no I don't support Arsenal), but my home for the time being is the lovely Leeds.

Political views lie somewhere in the realm of Social Democracy. I think attaining equality in the world would overcome many of the problems we have; however I'm also aware that man is inherently too greedy for this to ever work. This used to upset me, but I'm feeling increasingly apathetic in my old age. Hopefully that doesn't mean I'm destined to become a Tory.

Life never fails to amaze me. Sometimes this is hidden by a weird pessimism that I see as honesty, but ultimately I find every little thing incredible and ridiculous and I'm determined to never take anything for granted.

There's nothing better you can do with your life than experience the world and everything it has to offer. This is my ambition.

Where you study:

University of Leeds
